Absolute Pipeline Hires Mike Shultz as Operations Manager

Houston, TX – April 5, 2010 – Absolute Pipeline Maintenance and Construction hires Mike Schultz as operations manager.

Shultz brings nearly 13 years of experience in the oil and gas industry. He will be responsible for management of the rapid growth of Absolute's construction division.

“The whole team is ecstatic about the hiring of Mike Shultz as Operations Manager”, boasts Dudley

Lehrer, CEO of Absolute Pipeline. Most recently Schultz was an Operations Manager for Lott Contracting, where he did everything from line locates to the fabrication and installation of new pipelines and meter skids. Mike has extensive expertise in pipeline compliance and integrity throughout the mid-stream industry. Shultz has worked with an impressive list of industry leaders including: Chevron, Kinder Morgan, Shell Pipeline, Enterprise, and Tennessee Gas. “With Mike’s

expertise and experience Absolute Pipeline will be better prepared to be a turnkey contractor for our ever growing list of clients”, claims John Asdahl, Absolute’s Business Development Manager.

Absolute Pipeline Maintenance and Construction has grown rapidly in the last 2 years and has hired the right people to help manage and sustain the growth like Shultz while keeping their employees safe, the number one responsibility.
